

# Privacy Policy

MyWonderbird company operates MyWonderbird Mobile application. This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from our users.

We use your Personal Information only for providing and improving the Mobile application. By using the Mobile application, you agree to the collection and use of information in accordance with this policy.

## Information Collection And Use

While using our Mobile application, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to your name, country ("Personal Information").

## Usage Data

Like many other Mobile applications, we collect information about your usage. We collect information about how you use our Product, such as the types of content you view or engage with; the features you use; the actions you take; the people or accounts you interact with; and the time, frequency and duration of your activities. For example, we log when you're using and have last used our Product, and what posts, and other content you view on our Product.

In addition, we may use third party services such as Google Analytics that collect, monitor and analyze this usage data.

## Transaction Data

Information about transactions made on our Products. If while using our Product you make purchases or other financial transactions (such as when you make a purchase for the hotel), we do not collect any payment information, such as your credit or debit card number and other card information. The only data we collect that you have navigated from our Mobile application to the third party service.

## Device Information

As described below, we collect information from and about the computers, phones and other web-connected devices you use that integrate with our Product, and we combine this information across different devices you use. For example, we use information collected about your use of our Products on your phone to better personalize the content (including ads) or features you see when you use our Products on another device, such as your laptop or tablet, or to measure whether you took an action in response to an ad we showed you on your phone on a different device.

Information we obtain from these devices includes:

- Device attributes: information such as the operating system, hardware and software versions.

- Data from device settings: information you allow us to receive through device settings you turn on, such as access to your GPS location, camera or photos.
- Network and connections: information such as the name of your mobile operator or ISP, language, time zone, mobile phone number, IP address, connection speed.
- Cookie data: data from cookies stored on your device, including cookie IDs and settings.

## **Communications**

We use the information we have to send you marketing communications, communicate with you about our Product, and let you know about our policies and terms. We also use your information to respond to you when you contact us.

## **Sharing with Third-Party Partners**

We work with third-party partners who help us provide and improve our Product. We don't sell any of your information to anyone, and we never will. Here are the types of third parties we share information with:

- Partners offering goods and services in our Product.  
When you subscribe to receive premium content, or buy something from a seller in our Product, the content creator or seller can receive your public information and other information you share with them, as well as the information needed to complete the transaction.

## **Changes To This Privacy Policy**

This Privacy Policy is effective as of 2019-12-30 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on our Mobile application will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our Mobile application.

## **Contact Us**

If you have any questions about our Privacy Policy, please contact us.
